A close-up photograph of three pink roses. The rose on the right is in sharp focus, showing its many layers of petals in shades of light pink and peach. The other two roses, one above and one below it, are slightly out of focus. The background is a soft, light blue surface scattered with small white confetti or dried flower petals. A large, semi-transparent 'shutterstock' watermark is centered over the image.

shutterstock

A close-up photograph of a bouquet of pink roses in a white ceramic pot. The roses are in various stages of bloom, with some showing vibrant pink centers and others being more pale. Several pink petals have fallen onto the light-colored wooden surface in the foreground. A large, semi-transparent 'shutterstock' watermark is centered over the image.

shutterstock

A close-up photograph of several purple crocuses with bright yellow centers. The flowers are in various stages of bloom, with some fully open and others partially closed. They are surrounded by long, thin green leaves. The background is a soft, out-of-focus mix of light green and yellow, creating a bokeh effect with circular light spots. A large, semi-transparent 'shutterstock' watermark is centered across the image.
